Subject: DESY-hosted VOs
Date: Thursday, June 04, 2009 09:31:09

Good morning,
For your information here is a short summary of the VOs/communities we host on our Grid infrastructure at DESY as official EGEE VOs:

VO	Members	
CALICE	74	Test Calorimeter for ILC (CALICE is a collaboration!)
ILC	99	International Linear Collider Comminuty
HERMES	3	HERA Collaboration
HONE	26	HERA Collaboration
ZEUS	38	HERA Collaboration
ICECUBE	34	Astroparticle physics experiment
GHEP	44	German-wide VO for various communities
ILDG	77	International Lattice Data Grid (Data Grid usage only)
XFEL.EU	2	Photon Science (just started)

We support in addition:

ATLAS
CMS
GEANT4
BIOMED
xray.vo.eu-egee.org

Cheers
Andreas
