**Current Workshop Format and Timing**

- Yearly, between Moriond and the summer conferences
- Three-day plenary format
- Short talks, with ample time for discussion

**Volunteering to Host a Future Meeting**

- Email an expression of interest to the IOC DM-LHC@cernNOSPAMPLEASE.ch
- Input requested from bidders (~1 page):
  - envisaged dates
  - proposed location and available meeting facilities
  - estimated fee (roughly), with or without lunch & dinner
  - local organising committee
  - typical single hotel room price of the area
  - options for travel support for students or postdocs
  - indication of support from the institution’s management
- Aim to converge on location more than one year in advance
