- Simplification Plan
- Task Force: ERIS
- GLUE2 LDAP DIT & schema finalization

Internal Communication

Most of the communication within the Infrastructure Area is conducted via the email list. To subscribe to this list, please go to the subscription page [↗](#). A bi-weekly phone conference take place using the EVO system to keep everyone informed of the current status and for discussion. The agenda for these meetings, along with the minutes can be found in indico [↗](#). The announcement for this meeting will be send to the infra email list.

InfrastructureArea < EMI < TWiki

Face2Face meetings will also be announced via the email list and the agenda will be also found in [indico](#).
