

ReviewDJRA152PO < EMI < TWiki

With the finalisation of DJRA151 we can now initiate the ToC review of DJRA152. Before sending DJRA152-Status report/Review and assessment of P1 standardisation workplan: achievements of past period
-P2 standardisation workplan: should include detailed workplan, harmonisation (if any), evolution

The other sections eg Roadmap and KPIs, are relevant and should remain.

Perhaps these points are addressed within the deliverable; the ToC however does not clearly reflect

I hope my comments are reasonable. I have based these on the procedure for periodically updated deliverables
<https://twiki.cern.ch/twiki/bin/view/EMI/EmiUpdateDeliverableProcedure> .

If you agree with these comments, please upload the revised ToC and inform the PO latest 21/04
