How to register to ETICS in 5 steps:

1) Use your browser (Tested with Mozilla Firefox 1, 1.5 and 2.0 and Internet Explorer 7) and go to:

https://etics.cern.ch:8443/eticsAdmin/public/registration/requestRegistration.jsp

2) Fill in the form. All fields are mandatory.
Please type a valid email. It will be used to send you the account activation link.
If you don't have any certificate installed on your Firefox browser, please install one.
You can find a tutorial here.

3) Once you send the request, you will receive a notification email.
The request is then validated by the ETICS registration team, and ACCEPTED or REJECTED.

4) When your request is accepted, you will receive an email with the activation link.
Click on it and ACTIVATE your User Account.

5) Enjoy using ETICS :-)
