Introduction to the Video Library

- This project's Mandate and tools are listed in the e-learning twiki.
- The videos' final version is in the dedicated collection [↗](#) of the CERN Document Server (CDS) and **embedded** in the relevant VideoLibrary item for a more user-friendly URI.
- Twiki usage statistics, available to users with CERN login (also lightweight) can be found on the left banner of this page. Direct link [here](#).
- Comments are possible at the end of every VideoLibrary item.
