

BDIIConfigurationSetup < LCG < TWiki

The BDII host `sc3-bdii.cern.ch` contains the information about thh LFC catalogs at CERN and the T0 and T1 Storage Elements.

The configuration is based on FakeInformationProviders (`lcg-info-provider-srm`, `lcg-info-provider-lfc`) which publish static information. The BDIIInfoWrapper (`lcg-info-wrapper`) contains a line for every service which needs to be published. See links.
