

name	contribution	where it should go in the document
julia	Here we could refer to the fact that WLCG has a proven record of success in creating distributed infrastructure, in operating it and in enabling of big distributed user communities to use this infrastructure. The last task was carried out by the Grid Support group in close collaboration of the LHC experiments. Might put some numbers demonstrating steady growth of the use of the WLCG infrastructure in terms of users, jobs, etc.. And then the points mentioned by Andrea	Separate section?
