

The OfficeLocations topic has a list of all your offices.

- CERN_Meyrin
- CERN_Preessin

We do not plan to maintain office locations in the CERN Wiki installation. If you are looking for office information, please visit XWHO instead: <http://consult.cern.ch/xwho> 

(This is an example of corporate intranet use and is for demonstration purposes only: TWikiRegistration asks for an office location. To add/remove an office edit this OfficeLocations topic and the TWikiRegistration topic)
