  - ◆ CMS Squid Deployment Contacts
  - ◆ CMS Squid Availability

## Streams replication data flow

## Database Resource Requirements

Summary from the last resource review: pdf

Presented to the LCG Management Board of 13th March agenda

## Older Experiment Documents

Experiment/Project	Requirement Documents
ALICE	11/03/05
ATLAS	10/11/04 online
CMS	08/11/04 (online still missing)
LHCb	26/10/04
LCG Deployment	18/11/04

- Template spreadsheet for the Data Type Requirements ( excel and explanation document) to be filled by each experiment or project for all data that will use the LCG database services during first deployment in 2005.
- Received requests for the pre-production service (one year from autumn 2005)
