Welcome to the SPL Wiki

These pages contain all information related to the new proton injector linacs, which form part of the upgrade of the CERN proton injector chain. The two main sections are dedicated to Linac4 (Linac4Web) and the subsequent SPL (SplWeb). If you want to edit these pages please register yourself as a TWiki user here with your NICE/AFS username and password. Then send a mail to admin so that your name can be added to the "access list".
