CERN Basketball Club

The CERN Basketball Club welcomes all people at CERN (and surroundings) interested in playing basketball. The main aim of the club is to have fun playing basketball.

We have two teams, CERN 1 and CERN 2 which participate in the competitions organized by the Groupe Autonome du Basket GAB in Geneva.

These competitions are:

- Championship
- Cup

To play in any of these competitions, players must have a signed license.

For the season 2020/2021, trainings will be held regularly at these locations (check the detailed schedule that will be sent on the mailing list every week):

How to join the club:

The CERN basketball club holds regular trainings every Tuesday, Wednesday and Thursday at 20H00 at the locations indicated above. Some training sessions (usually on Tuesdays) are dedicated to GAB fixtures and thus training schedules change weekly.

For new players interested in joining the club we always apply the same principles:

1. We ask you to join at least 2 - 3 training sessions so that you may see how we operate and we can meet each other.
2. If you are happy with the club, and we have available spaces on a team, the committee and coach(es) will ask you to join a team.
3. If you want to join a team you must contribute with the Club membership fee (160/160 CHF per year for CERN 1/CERN 2, GAB license included) and you must buy a CERN uniform (150 CHF). The uniform is composed of 2 jerseys and 1 pair of shorts.
4. If you don't want to join a team, or there is no space, you can attend the regular training sessions. You will be asked to contribute a reduced membership fee (40 CHF).
