Dear team captains, please write on this twiki page the players of your team, the captain number, the team colors and mark with an (*) the external player, reminding that:

- A team can count on a maximum of **14 players subscribed**.
- However, on each match, are allowed **14 player maximum to play for each team**.
- The list will be frozen and team will be able to add players only if there was an injury (removing the injured players, but cannot swap it back) or if the maximum was not reached. Of course the new player must not have played with another team.
- As introduced by the CFC committee, only **ONE** player (according to the proportion of 3 for an 11-a-side team) **who is not working/enrolled at CERN** can be included in the team. Player that have worked/enrolled in the past are not included in this distinction.
- The referees of each match will check on the previous rule.

Due to playing time we recommend limiting the roster size to 7-10 players, considering the variable availability of the people.

TOURNAMENT ORGANIZATION

- There will be two groups: Group A of 6 teams and Group B of 6 teams.
- The teams within the same group will play against the others twice.
- There will be a final phase made by Quarter Finals, Semifinals and Finals (Final Eight).
- Team ranking is compiled considering the following order:
  ♦ Highest Points
  ♦ Winner of the head-to-head match
  ♦ Better Goals Difference
  ♦ Better Goals Scored
  ♦ Total of goals against
  ♦ Fair Play

if 2 or more teams will be still equal, a random choice will be done.

- Points for group matches are assigned as follows:
  ♦ 3 for victory;
  ♦ 1 for draw;
  ♦ 0 for loss;
  ♦ -1 for missing referee (30 CHF penalty fee);
  ♦ -3 for forfait (70 CHF penalty fee) - Unless the team does give a early notice (the day before)
  ♦ -3 for missing bag (50 CHF penalty fee);

Futsal Bag

The captain of the HOME team of the FIRST match of the day is responsible of:

1. Collecting the futsal bag.
2. Checking that all futsal stuff is there (a list will be given soon). If something is missing, the captain
must immediately inform the CERN Football Club by e-mail to vincenzo(DOT)daponte(AT)cern(DOT)ch

The captain of the HOME team of the LAST match of the day is responsible of:

1. Collecting the futsal bag and all other stuff (balls, yellow/orange t-shirts, stopwatch, etc...) at the end of the matches.
2. Checking that everything is there (a list will be given soon). If something is missing, captain must immediately inform the CERN Football Club by e-mail to vincenzo(DOT)daponte(AT)cern(DOT)ch
3. Contacting the captain of the home team of the following slot in a duly time to help him/her from collecting the futsal bag.
4. **In case of failed delivery of the futsal bag, a penalty fee of 50 CHF and 3 points on the team classification are applied to the HOME team of the last match of previous slot.**

VESTS:

The teams or the single players who use a vest for a match is responsible for washing it and put it back in the bag. Since it is not possible to check in every case, the captains should make sure all the used vests come back clean. Not returning vests or returning dirty will lead a **20 chf fine** for the team.

Futsal BALLS:

Futsal Balls are to be considered "tight" to the deposit. Each team is responsible for its ball (i.e. keep it at the right pressure and in good shape) and to bring it to the matches. If the ball breaks or get lost in an unofficial context, either the team buys another (the very same type) or the cost will be deducted from the deposit.

Timing and others

- Each match will be divided in **2 half periods of 20 minutes each with 2 minutes of break.**
- EACH TEAM should be there **15 minutes BEFORE the starting time.**
- Teams involved in the first match of the day, please, do not enter the pitch before as due: we are not allowed to use the gymn before as agreed. However you can be there 15 minutes before: use this time to get ready wearing the appropriate clothes!
- **ALL matches will end AS SCHEDULED with NO EXCEPTION.** There is NO POSSIBILTY to use "just few minutes" of the following slot. If you are going to start later, then you are going to play less. So don't be late at all in order to respect all other football players that have to play in the following slot. I know that it's quite strict BUT we scheduled this calendar to give to lots of people the possibility to play.
Taking care of the gym
VERY IMPORTANT

• Please, **USE NO MARKING SHOES**: it will up to captains to remember it and to check his team members compliance. Penalty fees can be applied in case cleaning the floor for those marks will be required by the gym. So be clever.
• Wear futsal shoes only after entering the building (in order to keep them clean) - people entering the gym already wearing the futsal shoes will be refused the access by the guardian! So please take this seriously!
• The last teams playing must make sure that the goals are back in their place (in Peron), lights are off and the gym closed.
Specific rules for Peron (100 chf + 3 penalty points fine in case of task missed to both teams involved)

1. Before the game - make sure people after entering the gym pass through the corridor behind the changing rooms, put the futsal shoes on in the changing rooms, and only then enter the pitch side; it is forbidden to enter the pitch side wearing the outside shoes - check that only the necessary lights are on; turn off the rest by switching off the fuses in the small room next to the entrance

2. After the game, in all cases - put the goal on the climbing wall side into the fenced box - make sure no stuff is left behind around the pitch and in the changing rooms (clothes, bottles)

3. If the guardian is absent - check that no emergency exits are open, especially the ones next to the climbing wall - turn off all the electric fuses in the small room next to the entrance - turn off the light that lights up the entrance - there is a switch next to the door - lock the gym entrance (check both doors) - lock the gate in the outside fence

4. At Thursdays:
   - DO NOT ENTER THE LOCK-ROOMS and THE PITCH BEFORE 20:30;
   - Before enter the lock-room ASK TO THE basketball TRAINER for which lock-room is free;
   - 5-10 minutes of delay in the match start is tollerated.
   - Use ONLY the last 2 lock-rooms.

Refereeing

1. Each team is called to provide referees (see Calendar).
2. Each match shall be refereed by one field referee and one assistant referee.
3. The referees must UPLOAD a short report of the match on the Enjore page (Within 24 H of the match), including final results, comments and fair-play score (on 5).
4. For any missed or delayed report (Within 24 H of the match), a penalty fee of 20 chf will be applied to BOTH refereeing teams.
5. Missing Referee: The team that does not provide a referee gets a penalty fee of 40 chf and -1 fair play point.

Fair play rating

The field referee will assign a fair play score to each team, for every game. This is a subjective score according to how the referee feels about the attitude of the teams towards other people in general, and towards the spirit of the game. To help the referees, we suggest the following guidelines for assigning fair play scores:

- 5: exemplary overall behavior;
- 4: not quite perfect, but only with 1 or 2 people in the team possibly acting unsportively on some occasions: over complaining, over commenting, unnecessary fouling, delaying the game, and so on;
- 3: 2 or 3 players behaving unsportively on some occasions;
- 2: half the team, whether on or off the pitch, behaving unsportively on some occasions;
- 1: most of the team behaving unsportively on some occasions;
- 0: most of the team generally behaving unsportively (forfeit is also a 0).

The fair play rating for each team is the total number of fair play scores divided by the total number of games played (including all tournament phases, including any forfeits).

Late Arrival

Specific rules for Peron (100 chf + 3 penalty points fine in case of task missed to both teams involved)
1. If one team will arrive later than 10 minutes with respect to the starting time of the match (such that there are not enough players to play, which means less than 3 (2 or 1 or 0)), the second team CAN ask to win the match 3-0: it means that it will be up to the second team to decide to play or not accepting the final result. In any case (both the match is played or not) -3 Fairplay points AND -40 CHF will be detracted to the first team.

2. If one team will arrive later than 5 minutes with respect to the starting time of the match (such that there are not enough players to play, which means less than 3 (2 or 1 or 0)), -1 Fairplay point CAN be detracted to this team: it belongs to the referees deciding to apply this penalty or not.

Missed Matches

- **Minimum 3 players per team are required to play a match.** If one team doesn't bring the minimum number of players on the pitch, the facing team will win automatically the match 3-0. -3 Fairplay points AND -50 CHF will be detracted my the losing team if they showed up with not enough players to play.
- If one match cannot be played (both for not sufficient players on the pitch or for any other reasons agreed by the parties), we cannot give the possibility to postpone it due to the lack of slots this season.
- We don't know yet how many matches will fit in the schedule.
- In case of some missed matches cannot find a place to be played elsewhere, those teams will receive 0 points.

Schedule changes

- To change the schedule of one match a team is required to take agreement with the opponent team AND with the two other teams occupying the slot where they wish to disput the match.
- ONLY when all the agreements are reached the captain can notify to vincenzo(dot)daponte(at)cern(dot)ch the schedule change, putting the other 3 captains in copy.

Spectators

Friendly spectators are very welcome. Any kind of alcoholic drinks are strictly forbidden inside the pavilion! All the players participating in the tournament must assure that any of its friends that are attending the games will not violate this rule. If this case happens the involved team will be automatically excluded of the tournament and will also lose the whole deposit.

Personal responsibility

Each player should be aware that they are personally responsible for:

- Health insurance, in case of any injuries.
- Damages to property or material at the pavilions where the tournament will take place, whether involuntary or not.
