

Question

Dear support,

it seems that I have no access to the page:

<https://twiki.cern.ch/twiki/bin/viewauth/ALICE/PWG3SpeakerSelection> even if it is allowed for the alice-pwg-hf-coord group and my name was added explicitly.

Do you know where it could come from?

Thanks,

Raphaelle

Answer

⚠ If you answer a question - or have a question you asked answered by someone - please remember to edit the page and set the status to answered. The status is in a drop-down list below the edit box.

This page has 2 ACLs. One set at the top but at the bottom there is another

```
Set ALLOWTOPICVIEW = alice-pwg3-coordination, alice-mgt-physics-board@cern.ch, federico.antinori@
```

the last author was AndreaDainese . Please ask him about the ACLs
