

Question

Hi there, We'd like to have a parent twiki topic specific for some purposes of our group (LBL) studies. We want also that this twiki is accessed by ATLAS users only. Is it possible to have it created?

thanks a lot in advance,

regards

Dimitris

Answer

⚠ If you answer a question - or have a question you asked answered by someone - please remember to edit the page and set the status to answered. The status is in a drop-down list below the edit box.

Yes it is possible to have a web area for a specific project or experiment. I will contact you by email to discuss the details
