

Question

Is there a tool installed such as

<http://twiki.org/cgi-bin/view/Plugins/MediaWikiToTWikiAddOn>

to import the pages from an existing MediaWiki into the cern twiki (under cms tridas) ?

Environment

Web Browser:	
User Location:	Internal
Categories:	Missing functionality

Answer

⚠ If you answer a question - or have a question you asked answered by someone - please remember to edit the page and set the status to answered. The status is in a drop-down list below the edit box.

We have installed a Plugin to do this MediaWikiToTWikiAddOn.

Follow the instructions on the above link and email us with the details of the import.
