

Question

Hi, I would like to use the bibtex plugin but it is not installed on the CERN twiki right now, how can I have it installed to use on our group Twiki pages ?

Answer

⚠ If you answer a question - or have a question you asked answered by someone - please remember to edit the page and set the status to answered. The status is in a drop-down list below the edit box.

Plugins have to installed by the TWiki admin. Please send a request for the Plugin to the 'Send feedback' link that can be found right at the bottom of this page.
