

## Question

Dear Admins,

I'm wondering when you are planning to update the current version of TWiki 4.3 to the newset 5.1?

I'm interested in using the newly introduced feature of Parametrized Variables (Macros)

Thank you,

cheers,

Zoltan

## Answer

**▲ If you answer a question - or have a question you asked answered by someone - please remember to edit the page and set the status to answered. The status is in a drop-down list below the edit box.**

We intend to upgrade soon during March or early April. There are a few things that we need to integrate with the CERN environment beforehand.

Hi Peter, Do you have a new estimate for the 5.1 upgrade? Thank you, cheers, Zoltan

-- ZoltanGecse - 24-Apr-2012

It will now be in May

-- PeterJones - 25-Apr-2012

-- ZoltanGecse - 23-May-2012

The upgrade was done early May
