Postdoc positions at DESY

Desy is offering several postdoc positions (fellowships) for particle physics.

DESY is one of the world’s leading research centres for photon science, particle and astroparticle physics as well as accelerator physics. DESY develops, runs and uses accelerators and detectors for the investigation of the structure of matter.

The positions:
Fellows in experimental particle physics are invited to participate in a project of DESYs particle physics research Programme at Hamburg.
- Analysis and detector-upgrade in the LHC experiments ATLAS and CMS
- Preparation of the International Linear Collider ILC (accelerator and experiments)
- Participation in the Analysis Forum of the Helmholtz Alliance “Physics at the Terascale”
- Participation in the experiments ALPS and BELLE II
- Generic development of detectors and accelerators for applications in particle physics

Requirements:
- Ph.D. completed within the last 4 years
- Experience in experimental particle physics

DESY-Fellowships are awarded for a duration of 2 years with the possibility of prolongation by one additional year.

Please submit your application including a resume, a curriculum vitae including a short summary of past research activities and of future research interests, a list of publications and copies of University degrees to the DESY human resources department (preferably via Online-Application, but we also accept e-mail to recruitment@desy.de or normal mail).

Make sure that you indicate the position identifier on all communications (FHFE003/2016). It is your responsibility to arrange for three letters of reference to be sent before the application deadline to the DESY human resource department, clearly stating your name and the position identifier (FHFE003/2016).

Salary and benefits are commensurate with those of public service organisations in Germany. Classification is based upon qualifications and assigned duties. DESY operates flexible work schemes. Handicapped persons will be given preference to other equally qualified applicants. DESY is an equal opportunity, affirmative action employer and encourages applications from women. There is a bilingual kindergarten on the DESY site.
We are looking forward to your application quoting the reference code preferably via our electronic application System:
