

PLANNING FOR THE TESTS OF THE WARM MAGNETS

OF POINT 4

PLANNING MEETING

9TH OCTOBER 2007

Presents: Pal Anderssen Maria Paz Casas Lino; Hubert Gaillard; Delphine Gerard Jacky Mazet; Jerome Pierlot; Denis Olivier Valentina Zambrano;

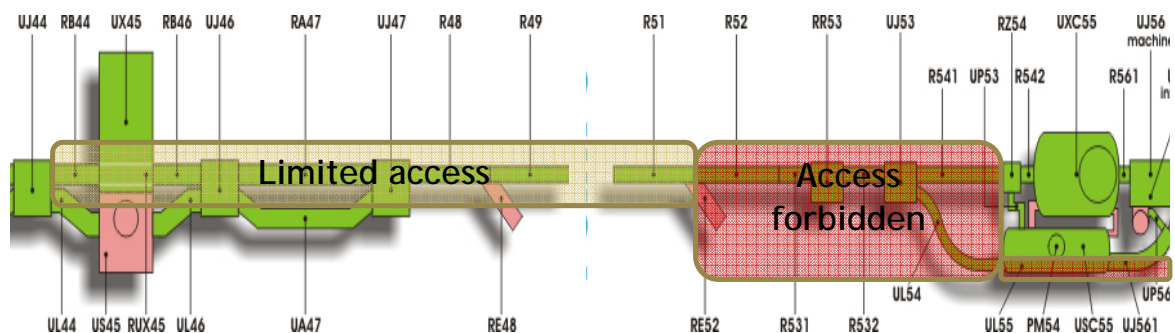

Excused: Esther Barbero; Hugues Thiesen

Planning

The tests of the warm magnets of point 4 have been scheduled for week 43-44. To agree with the access conditions during cool down of sector 45 .

Special access rights in 4 right

Since the magnets are placed in both sides of point 4 and due to the cool down in sector 45, there are different accesses conditions applied to right side and left side. At Left side of point 4 there are no access restrictions but on point 4 the access will be given by HCC. (Boris Bellesia and Matteo Solfaroli)

Points Discussed During the Meeting

Readiness of each system:

- **WorldFip (Claude Dehavay)** – To be confirmed
- **Grounding (Jerome Pierlot)**- Everything ready
- **Balancing (Frank Moro)** – (Confirmed after the meeting)
- **AC Distribution (Simon Brown/Jerome Pierlot)** – Everything is ready Jerome will check if the dossier have been sent for the inspection.
